Seniors 'STEP'n Out!' to local attractions

The STEP Office of Aging is rolling out the "STEP'n Out!" program. Funded by a grant from the PA Department of Aging, STEP'n Out! is a way for individuals age 60 plus to experience local and regional history, entertainment and landmarks.

Participants in a kickoff event went to Knoebels Senior Citizens Day in June. "On the bus ride home, everyone wanted to know where we are going next! They just had so much fun!" said Helen Grosso, a STEP AmeriCorps member service with the STEP Office of Aging.

Trips will be leaving from all of STEP's eight Centers for Healthy Aging in Lycoming and Clinton counties. Upcoming trips include:

• July 19 — Loyalsock/Montoursville, 570-601-9590, to Lewisburg Farmer's

Market

• July 20 — Renovo, 570-923-2525, to State College area
