

Bees at Home!

At school, I have a beehive. My teacher gives me bees to put on my beehive when I am being safe, kind, and responsible!

There's lots of things I can do to earn bees at school. Like sharing my toys, sitting on my spot at circle, and using my walking feet!

I have a beehive at home too! My grown-up can give me bees at home just like my teacher does at school.

There's lots of ways I can earn bees at home! Like putting my toys away, being kind to my brother or sister, listening to my grown-up, or using kind words.

I can earn something special for filling my beehive. Like a sticker or a stamp, or a trip to the park!

It's fun when I fill my beehive! My grown-up is proud of me too!
